Technical drawing of a mechanical part. The main view shows a rectangular block with rounded corners (R3) and a central hole with a diameter of $\phi 1,55^{+0,02}$. The distance from the top edge to the center of the hole is 0,63. The total width of the block is 30, and the distance between the centers of the two side holes is 18. The height of the block is 33, and the distance from the bottom edge to the center of the side holes is 30,2*. The side holes have a diameter of $\phi 4,5$ and are spaced 4,5 units apart. A side view shows a thickness of 3. The part is made of Steel 45 (Сталь 45) according to GOST 1050-2013.
